12. A speed limit of 5 km/h applies throughout the parking area and access road.

## **§5 GUEST RESPONSIBILITIES**

1. After occupying the designated parking space, the Guest is required to promptly report to the hotel Reception and complete the check-in formalities.
2. The Guest is liable for any damage caused on the parking premises by themselves or by persons under their responsibility.
3. Guests are obligated to maintain order and comply with all rules outlined in these regulations.
4. Guests are required to remove all waste and keep their pitch clean and tidy.

## **§6 STAYING WITH PETS**

1. Pets are allowed on the parking premises. Pet owners must comply with the following rules:
  - Pets must be properly supervised to ensure they do not disturb the peace by barking, howling, etc.
  - Pets may only move around the hotel premises while on a leash.
  - To maintain cleanliness, pets should be walked outside the hotel grounds.
  - Owners are required to clean up after their pets. Failure to do so will result in a cleaning fee of 50 PLN per confirmed incident.
  - Owners must have a valid vaccination record for their pet.
  - Pets are not allowed in any food service areas.

## **§7 LIABILITY**

1. Guests of the camper parking area are financially responsible for any damage or destruction of equipment or technical facilities caused by themselves, their children, pets, or visitors under their care.
2. The hotel is not liable for any belongings left unattended by Guests, nor for any damage resulting from force majeure or unforeseen events.
3. The hotel is not responsible for damage to or theft of campers.
4. Violation of these regulations may result in denial of further use of the parking area and the requirement to immediately vacate the premises.

## **§8 DENIAL OF ENTRY TO THE CAMPER PARKING AREA**

1. The staff reserves the right to deny entry to the camper parking area to individuals under the influence of alcohol or other intoxicants, those behaving

inappropriately, as well as to remove from the parking area anyone who does not comply with these regulations.

2. The staff may refuse to admit a Guest who, during a previous stay, seriously violated the hotel or camper parking regulations, caused damage to hotel property or the property of other Guests, inflicted harm on another Guest, hotel staff, or any other person on the premises, or otherwise disrupted the peaceful stay of other Guests or the operation of the facility.

## **§9 PERSONAL DATA INFORMATION**

1. The Guest's personal data are processed based on the agreement concluded between the Guest and the Hotel for the provision of parking services. The purpose of processing personal data is to provide parking services or other similar services that the Hotel provides at the Guest's request. Additionally, the Guest's personal data may be processed through video surveillance used on the camper parking premises. The purpose of video surveillance is to protect the Guest and other persons present on the Hotel premises or its vicinity.
2. The Hotel informs that providing personal data is a contractual and legal requirement (for example, for documenting sales to the Guest with a VAT invoice). Failure to provide personal data prevents the conclusion of an agreement with the Hotel and makes it impossible to issue a VAT invoice.
3. The Hotel informs that every Guest has the right to access their personal data as well as to correct and update them. Every Guest also has the right to data portability, to object to processing, and to request deletion of personal data when there are legal grounds to do so.
4. The Hotel informs that the Guest's personal data will be stored for the entire duration of the provision of hotel services to the Guest, as well as for the period necessary to fulfill any potential claims, including tax and civil claims. Personal data processed through video surveillance will be stored for up to 30 days unless special circumstances arise (e.g., an accident), in which case the recordings may be kept for a longer period.
5. The Hotel informs that the Guest's personal data may be disclosed to the following categories of recipients:
  - accounting and auditing firms cooperating with the Hotel
  - lawyers cooperating with the Hotel
  - insurance companies cooperating with the Hotel
  - IT companies and firms providing support and management of the Hotel's IT infrastructure
  - courier and postal companies
